

Coffee Break Challenge: Talent Show

Take an hour out with work colleagues or friends to have an online Talent Show and help local children's charity, Blue Smile

Get ready!

1. Decide when you will hold your coffee break challenge and which online platform (e.g. Zoom, Skype) you will use
2. Nominate a host/judge - or elect yourself!
3. Set up your Coffee Break Challenge at <https://localgiving.org/charity/bluesmile/>. Click on 'Fundraise for us'
4. Set up the get-together. Invite your workmates/friends to participate by email and donate a minimum of £3 each to take part. Make sure you include a link to your Local Giving donation page

You could say:

"Please join our Talent Show to raise money for Blue Smile! Whether you can juggle, dance, sing, play an instrument or tell jokes, we want to see it! Judging will take place on ____"

You may want to open up your show to household members too

Holding your Talent Show

- On the day, everyone joins with their coffee
- Each person has 5 minutes to demonstrate their talent (you may want to allow household members to take part)
- The Judge selects their favourite act

The prize could be an IOU
for a drink or choccies

Blue Smile is a registered charity (1139279) providing expert therapy to children who are struggling with difficult emotions. We work in schools across Cambridgeshire
